INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation v. The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees v. The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees v. The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

I am 72 years of age, and was never held as a slave, but was known as a "Free Negro". I was born in Stokes County, N.C. My father was ~~owned~~ by Squire Lyon. I claim Indian blood through my mother. I never heard her say where she was born. She has been dead 17 years, and died at Mt. Airy, N.C. She told me that she was an Indian, but did not mention any tribe, only said her mother was an Indian. My mother never received any money from the Government as an Indian. George Franklin of Westfield, N.C. is my brother and claims through the same line. I have never been enrolled, and have never received any money as an Indian. I never heard of any payment of money to Indians. The Indians moved from this country long before I can remember. My mother never went to school. I have always passed as a Negro. I have heard that my mother had Cherokee blood.

#33241.

Mary Hill being first duly sworn deposes and says:

My name is Mary Hill, and I live at Anderson, Ind. I am about 58 years of age. I claim Cherokee Indian descent through my mother's family. My mother's name was Fatha Bass, her maiden name was Fatha Russell. She died 8 years ago. She was about 75 years of age at the time of her death. She was born in Guilford County, N.C. She came to Ind. in about 1835-6 at the time they ran the free colored people away from N.C. Her parents were recognized in N. C. as being colored people. They were never held in slavery. My grandfather was 3/4 Cherokee Indian, he was about 85 or 90 years old when he died at Terra Haute, Ind. about 38 or 39 years ago. He left N. C. the same time my mother did. He was recognized as a free colored person at that time. He was 3/4 Cherokee and 1/4 colored. He never received any benefits from the Government on account of his Indian blood. Neither did my mother. I think my grandfather was recognized as an Indian by the tribes but I do not know in what way. My grandmother, Polly Russell, was Indian and German. She was about 80 years old at the time of her death, and came to Ind. from N.C. at the same time and with my grandfather. She claimed to be 1/2 Cherokee and never got any money from the Government on account of her Indian blood.

Appl. 33250-31843

Selena Galloway being first duly sworn, deposes and says:

My name is Selena Galloway. I live at Rosman, N. C. I was born in 1839 in Dickens Co., S. C. I claim Indian blood through my father and my grandfather and grandmother both on my father's side. My father died in 1882 and was 82 years old when he died. I don't know where he was born. I don't know where my grand-arentson my father's side came from. My father and grandparents were recognized as white people. They lived right around here in this country. They lived with the white people. My father and grandparents never got any money or land from the Govt. on account of their Indian blood. In 1851 my father and I were living in Transylvania Co. In 1882 I was living in Transylvania Co. I am the oldest child. My mother did not have any Indian blood as I know of. I was born in 1839, and I don't remember hearing my father say where he and his father were living ~~in 1835~~ in 1835. I have heard my father talk about the Indians being driven away from here. He was living over in Dickens Co., S. C. when the Indians were driven away. He came to the country after the Indians were driven away I reckon. I never heard my father speak of a Treaty the Govt. made with the Indians in 1835. I remember my grandparents. As far as I recollect they always lived in W. C. Buncombe Co. They were living in a white settlement there as far back as I can recollect. I have heard my father talk about the Indians. He never was with them much only when they would come in and make baskets. They would camp with my father. He never did live with them. They boarded with him when they came and made baskets. ~~xxxxxxx~~ I don't know whether my father was a member of the tribe or not. I don't know whether my grandfather owned land in S. C. or not, I think he owned some land in Buncombe Co. I just know what my grandparents say. My grandfather ~~xxxx~~ or my father, said that his mother was 1/4 Indian. Her name was Nancy Bird, and she married a Patterson. I don't know where Nancy Bird lived.

I am forty-six years of age and reside at Pittsburg, Kansas, and my application was filed from Wichita, Kansas; I claim my Indian blood through my mother, Mary A. Strickland, before marriage, Mary A. Smith. She died about twelve years ago; and she was then about sixty-seven years of age; she was born in Lafayette Co., Tenn. Her father, John Smith was a white man and her mother, Betsy Bowlen or Bowlin was about a one-quarter Cherokee; Betsy Bowlin's father was David Bowlin and he spoke the Cherokee language. Betsy Bowlin's was born, I think, in North Carolina. Betsy Bowlin and John Smith were married in Lafayette Co., Tenn. about 1830, and they moved away from Tennessee to Arkansas in the northern part of the state a few years after that; they lived in the neighborhood of Fayetteville, Ark. and my mother was married in Arkansas. My grand-father moved west as a trader in close touch with the Indians but not with them. One of my mother's brothers who was born in Arkansas in Blake Thompson Smith, whose T.O.

is Peach Orchard Gap, Ark.; he must be now into his seventies. He is about two or three years younger than my mother. My mother never received any money as an Indian, and she never lived among the Indians, but was always in close touch with them. In 1851 my mother was living in Arkansas; my grand-mother, Betsy Bowlin Smith, had three brothers, Washington Bowlin, Alex. Bowlin, and George Bowlin; and sisters Emerline Bowlin who married a McDermott, at Gadsden, Ga. and Nancy Bowlin, who died unmarried, who moved to Arkansas with my grand-mother and afterwards moved back to Tennessee. My mother had another brother, James Poke Smith whose P. O. is Sulphur Springs, Okla.; and a sister Nancy Jane Plant whose P. O. is Rosebud, Ark.

Pittsburg, Kansas. January 2nd., 1909.

Mr. Guion Miller,

Washington, D.C.

Dear Sir:-

Will you please kindly tell me what the prospect for the early payment of the Eastern Cherokee funds are like at the present time? I am one of the claimants who met you and your assistant at Tahlaquah last November -- - Mrs Bennett, who presented to you the claim of Mary A. Strickland and her heirs. You thought at that time, that you would have finished taking up evidence some time in the Spring.

Would you please tell me Mr Miller, how near you think the date, when all the accumulated evidence will be digested, and the accepted claimants enrolled and their money paid to them? And how, Mr Miller, will the money be paid to those who are enrolled? Will it be by checks mailed to them, or by a Government Agent in person?

Thanking you most sincerely for all the courtesy you have extended to me in the presentation of our Claims, and hoping for a kind reply soon, I am,

Yours most Respectfully,

circ. let

Mr Union Miller

Chief Com. Eastern Cherokees

Washington City - D.C.

Dear Sir, -

When you were at Tahlequah last fall taking evidence of Indians in the matter of their applications for citizenship I met you and your daughter at your hotel, in the interests of My Mother's Claim Mary A Strickland, whose family are at present (most of them) located in Wichita - Kansas.

As our interview was closing you remarked that you hoped to be able to turn in your report to the Commission this past April, and I am now writing you to know how soon you think you will be able to determine upon a final decision as to the number of approved claims and when you think the payment will be made to those who are accepted. Our attorney at Augusta Kansas Mr Harrison, seems to be away from home as I cannot reach him with letters. I wrote him in regard to one of my sons C. M. Bennett who is with the U.S. Hospital Corps, now stationed at Fort Sam Houston.

San Antonio Texas. Should our claim be allowed
I wanted instructions from him (Mr Harrison)
or from you as to how this party should do to
receive his portion. If need be he could come to
Pittsburg or Wichita - where payment is made, or
could he send me a U.S. Court order to receive his
money from him in case we are in your approval
If it be possible Mr Miller I would so
much prefer all of the Bennetts to be paid at Pittsburg
than Wichita in case we are enrolled. Hoping to hear
some news from you at an early date I am,

Yours Most-Respectfully

Mrs Joanna Bennett,

case

Dear Sir:-

In making out Exception papers in the case of Joanna Bennett, an applicant to your Court for Enrollment, a separate set of papers were made out and forwarded to her son Claude M. Bennett, a Hospital nurse of the U.S. Army Hospital Corps. I sent the papers to him that he might acknowledge them before some Notary, and instructed him to then forward them to your Court, in Washington City, but he has been changed to so many different Forts that I have not been able to receive any satisfactory reports of the papers through the mails. A couple of trips across the Pacific to the Phillipines on a transport, as ship's Druggist, a while at San Francisco, and then at Fort Sam Houston, Texas, has made it hard for me to keep up with him with anything like a document to be signed. In case our applications should find favor with your Commission, I trust his papers shall have arrived in Washington safely, and reached you in due time for his name to be enrolled along with the rest of us.

Very Respectfully,

Poindexter.

Martha M. Sharp being first duly sworn deposes and says:

I live at East Bend, N.C., and am 77 years of age. I was born near here, and lived in Robertson County six years, and, with that exception, have lived here all of my life. I claim Indian blood if the Pledges were Indian. My great grandfather was Frank Pledge. I am related to him through my mother, Nancy Kirk, and before marriage, Nancy Vest. My grandmother was Nancy Pledge, and a daughter of Frank Pledge. My mother was 84 years of age at the time of her death, which occurred about 13 years ago at East Bend. She was born in Forsythe County (then Stokes) My grandmother, Nancy Vest, lived with my mother, and I was grown when she died. Nancy Vest was born in Virginia, somewhere in the lower part of the state, and when her parents died she moved up into Patrick County. She was about 85 or 86 years old at the time of her death. She died before the War. I do not recollect ever having ~~heard~~ heard her say that she was part Indian. I have heard her speak of her grandfather, Frank Pledge, but I have never heard her say that he was an Indian. I have never heard my mother say that she was an Indian. They both passed as White people. I never claimed to be an Indian before this matter came up. I claim now, because if Bettie Pledge Poindexter had ~~an~~ Indian blood, Frank Pledge was an Indian also. I never heard that Frank Pledge had any other brothers or sisters than Bettie Pledge. I have never heard my mother or grandmother speak of Joo-noo-loo-shie. I have heard my mother speak of John Ayers as a relative of hers. I do not know whether he was any relation of my grandmother or not.

Russell a citizen of Hickman County, Tennessee, a

person with whom I am well acquainted, and whom I certify to be credible, respectable and trustworthy, and
whose statements, when made under oath, are entitled to full faith and credit in any Court of Justice in the

State, or in any department of the United States Government. The said Bettie
Russell having been by me first duly sworn, according to law, deposes and says:

That she has appointed H. C. Richardson, of Dickson, Tennessee, as her lawful attorney to prosecute this
claim to collection, for which she agrees to pay him 33 per cent. of the amount coming to her in this case.

My Father was an Eastern
Cherokee Indian resided
with the Cherokee tribe in North
Carolina I do not now know
but when he was a boy
they were recognized as
Cherokee Indians in the
community in which
they lived and resided. I do
not know why my parents
were not enrolled in
1857 I never heard of this until
I filed my claim in this
case. My Grand Father was
with the tribe in 1834 & 5 but
was captured a short time
after this and removed
to North Carolina.

They were slaves of white
people. Their statements are true
to the best of my ^{knowledge} information and
belief. None of my children were
slaves and my father and my
self done pretty well as we
pleased. Simple, lived with

No. 33292

Action: Reject

Name: Robert Burns Gay and -9- children. Residence: Claypool, Okla.

Reasons: Applicant claims his Indian blood through his mother who was born in North East Alabama in 1837 and died in the year 1888. Claimant's mother, nor her mother nor any of the family appear to have ever been enrolled although they must have been living in Cherokee country when different rolls have been made. Claimant states in letter, "I feel" that he generally recognized as a white rejected Cherokee citizen. He made application to the Dawes Com. and was rejected. Has never lived or affiliated with the Cherokees himself. Claimant was notified to appear at Ada Okla. last August (1908) to produce additional evidence, but failed to appear. No showing being made that would bring him within the terms of the decree of the court he is rejected.

Sir:

Your letter of October 1, 1907, enclosing an application on behalf of Robert Burns Gay, duly to hand. In it, you state that

"Mr. R. B. Gay is one of the petitioners in the petition filed in the Eastern Cherokee case, asking a modification of the order for the distribution of the fund. I have deemed that the inclusion of Mr. Gay and of all the petitioners in the two petitions filed by me, would be considered as an application; but upon reflection, I have decided to secure formal applications from each of these parties who has not already made such formal application."

In reply, permit me to say that I cannot agree with the proposition set forth above, as one of the petitioners in the proceeding referred to would be presumed to be fully advised of the requirements of the provisions of the decree, one of which was that all claims should be filed upon forms prescribed by August 31, 1907.

I am very glad to be able to say, however, in this particular case, that, on August 12, 1907, well within the time limit, you had already filed an application on behalf of Robert Burns Gay referred to above, and, therefore, this second application will be treated as simply a duplicate of that.

I would also call your attention to the fact that you have filed quite a number of other duplicate applications.

Very Respectfully,

GM/WEA

Appl. #33295-33251

Emley Athen Fisher being first duly sworn, deposes and says:

My name is Emley Athen Fisher. I live at Ubeac, N.C. I was born in 1872 in Transylvania Co. I claim Indian blood. The Eastern Cherokees, through my mother and her father. My grandfather's name was John Patterson, and John Patterson was the son of Walsey Patterson, who is my great-grandfather and the one I claim my Indian blood through. Mrs. Franky Thomas and my mother are first cousins. My application no is 31843. My mother died in September, 1907. She was 67 years old when she died. She was born in Buncombe Co. My grandfather was born in Buncombe Co. too, I suppose. I never heard of my mother or grandfather getting any money from the Govt. on account of their Indian blood. I never heard of John Patterson living with the Indians only living in the settlement with them. I don't know what the settlement was, but suppose it was the Hogback Settlement in Buncombe Co., N.C. My grandmother did not have any Indian blood. In this settlement that they lived in were both white and Indian living together. My mother had some brothers and sisters older than she. The oldest one was Jim. He was about two years older than my mother. In 1882 we were living right here, Toxaway. It was called Hogback at that time. Hogback Settlement was in what is now Transylvania Co. I did not know my grandfather. I have always heard that my great grandfather, Walsey Patterson was part Indian, that he was 1/4 Indian. I have heard my mother speak of the Indians being driven away from this country. I don't remember anything she said only they were driven away. My great-grandfather was living ~~xxx~~ in the settlement with the Indians when they were driven away. I do not think he was driven away with them. I never heard why he was never driven away with them.

Dear Sir:-

I desire to make a plication in behalf of Mrs. Leu-
lah Morgan of Golder, Ark Co., Arkansas for a share of the
Eastern Cherokee money. I believe the above application ap-
pears by name in certain applications, heretofore, filed with
you but, she being of age, has only recently been informed
that a formal application is necessary. The formal papers are
now in transit and will be filed with your office as soon as
they arrive, and it is earnestly requested that such papers not
be received at any time, by the way of a preliminary appli-
cation or other way.

Very respectfully,

Witness for

Elizabeth Bryant, witness for her daughter,
33304, after being first duly sworn, deposes and says:

I am 69 years of age. Helen D. Brace is my daughter. She has Cherokee Indian blood. She gets this from her father who is dead. Her father was born in Murfreesboro, Tenn. He came West when he was a boy. He came with his parents. My husband got his Indian blood from his father. I have seen my husband's father. He was living in Arkansas when I know him. He came west and brought my husband with him. My husband never got any Indian blood from the government and I do not think his father ever got any. My husband was a voter. I have heard my husband's father speak of his Indian blood. He said his mother, Rachel Harris was 3/4 Cherokee Indian. My husband went to the white schools and passed as a white man. His father passed as a white man. My husband's father died in Arkansas. He was a farmer. Cora D. Jones is also my daughter and here with me now.

R. F. D. NO. 3, YADKINVILLE, N. C. July 1909

Check of the Court of Chancery Dear Sir we
wish to have the decision of Quinon Miller
reversed. We know that we are entitled to a
share in the fund. Mr. Miller said if he should
need any further evidence in our case he would
send a man to take the further needed evidence
but for some reason the man did not come
we thought the evidence given was sufficient
until we received our letter of 10/10/09,
we are fully satisfied that we can give all
the evidence that is needed to show our
rights to a share of the fund. As the Court
has not an objection we desire some
information concerning the decision and
which should be filed what the Court
considers or please give some form of the
affidavit made. Make every thing as plain
and simple as possible

Marion, Sam, Bell (don't know her married name), Myra Jenkins are my brothers and sisters. My mother was a white woman. I was never on any roll that I know of. My father nor I never lived with the Indians. My father was born and raised in Blount Co., Tenn. I was born and raised in Monroe Co., Tenn. My father's parents were never on any roll that I know of. They never had any other names than that of Blalock. My husband is a white man. Don't know when my father's parents died. My father died when I was a small baby. His parents died after he did. I reckon they were dead is the reason they were never on any roll.

Talking about transportation monopolies, excessive passenger rates, discrimination in freight rates, etc., the Southern Express Company can surpass all of them and not half try. Recently farmers at Mt. Airy have been doing a profitable trucking business, Washington being one of the markets. About the time the truckers began to feel good over their prospects the express company advanced rates from 50 to 90 cents per crate from Mt. Airy to Washington. The shippers will kick, of course, but the kicking will accomplish nothing. This is only one instance. The express company makes a regular business of overcharging and in one way or another robbing all its patrons indiscriminately. In many of the North Carolina towns the local Merchants' Association has secured copies of express rates to all principal points and had them printed for self-protection. It is not unusual for the company to make an overcharge of 25 cents to \$1 on a single package.

They Have All Learned to be Men, But Not Swaggering Nor Foppish Young Men.

Aberdeen, N. C., May 14th, 1907.
PROF. PRESTON LEWIS GRAY, Bingham School, Mebane, N. C.,

Dear Mr. Gray:—Having been a patron of yours, it gives me pleasure to attest to the quality of the boys of my acquaintance that have had the fortune to be moulded by the influence of your excellent school. Instead of the swaggering, cigarette smoking, foppish young men we too often see coming from some of our state schools, I am pleased to note that all your students that have come within the scope of my acquaintance are clean, strong and healthy boys with modest but manly determination to excel in the things that the business world is now demanding. They have learded their books well; but above that, they have learned to be men.

I am already counting the time that must elapse before my younger boy can enter Bingham.

Denies Indian Relationship.

Rev. D. S. Morton denies that his grandmother was related to the Indians, and writes interestingly as to the news reference made in our issue last week to those who were seeking to establish claims. Mr. Morton offers no argument, but says:

"I remember Grand-mama very well. She was a devout Christian. Her maiden name was Bromblo, but she was not the only one of that name who lived in this country. In the year of 1870, I met people, living in Union county by the name of Bromblo, who did not look like Indians. Grand-mama was dark complected but no darker than many other people whom I have seen. She possibly might have been related to the Indians. I do not know; but I do know that she was not an Indian. "I never heard that we were related in any way to the Indians, until a few years ago when some parties were trying to set up a claim in the Indian Territory upon such a relationship. Of course they failed and justly received a reprimand for filing false claims.

"Now, I hope our people will not be misled by such a legendary story, and dance to the music of some designing trick, while some fellow gets well greased, smacks his lips, and chuckles in his sleeves.

"If I am related to the Indians I am not ashamed of my relationship."

As to the correctness of the affidavits we know nothing; but attorney J. R. Price, who is representing the Brombello descendants, has a number of certificates from aged and reliable men of the county who certify that the Mrs. Morton was an Indian and of the Eastern Cherokee Nation. And there are those who think with Mr. Morton that there is nothing to show that such a relationship existed.

The evidence which seeks to establish the claims is of a secondary and traditional nature, but Mr. Price seems confident of the proof which he has in hand.

August 31st is the limit for filing the claims, and these will be passed upon in the department of Indian affairs at Washington.

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, did you, your parents, or grandparents ever reside with the Cherokee tribe? If so, state when and where. Were you, your parents and grandparents recognized as white people, Indians or negroes in the communities in which you and they have resided.

Why was the parent through whom you claim not enrolled in 1851, and where was he or she residing in 1834-35, if living at that time? Where were your grandparents on the side through which you claim residing in 1834-35?

If your parents or grandparents were slaves, state whether slaves of Indians or white people.

Appl. #33333

Maggie H. Nisbet, being first duly sworn, deposes and says:

My name is Maggie H. Nisbet. I live at Fapeville, Ga. I was born in 1888 in Dahlonega, Ga. I claim Indian (Cherokee) blood through my father. I don't know whether it is through my father's father or mother. My father died in 1880, and was 45 years old when he died. He was born in S. C., I think. I don't know where my grandparents came from. Mr. Worley of Dahlonega a lawyer, wrote and told me and my two sisters that we had Cherokee Indian blood. I had never heard of it before. Mr. Worley had known my father, I don't know how long. I don't know how long my father had lived in Dahlonega. I don't know anything about my father having Indian blood except what Mr. Worley told me.

App. #33340.

September 18, 1907.

Chas. E. Reid,
Benson,
Louisiana.

Sir:-

Replying to your letter of September 10, 1907, you are advised that your application for participation in the Eastern Cherokee fund has not been reached for final consideration, and we cannot state at the present time whether or not you are entitled to share in this fund.

As there are over 43,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

Special Commissioner.

Charles E. Reid being first duly sworn deposes and says:

My name is Charles E. Reid, and I live at Benson, La. I am 67 years old. I claim my Indian descent through my father, Elijah W. Reid. He died in 1877. He was 61 years old at the time of his death, in Livingston Parish, La. He was born in Saint Tamany Parish, La. and lived out here all of his life. My father got his Indian blood through his mother, Margaret Shevis. My grandmother died in 1850, in La. She was born in Orangeburg District, S.C. My grandfather, who was in the battle of New Orleans, married my grandmother in S. C. and they came to La. before the birth of their first child. My grandmother was 3/4 Cherokee Indian blood. My father used to show his Indian blood very strongly, and people called him "Indian Reid".

Honorable George R. Favrot,
House of Representatives,
Washington, D. C.

Sir:

Your letter of April 7, 1908, relative to the application of Mr. Charles E. Reid, of Benson, Louisiana, is at hand.

In reply I have the honor to report that Mr. Reid's application has not been reached for final adjudication and we are unable to state, at the present time, whether he is entitled to share in this fund.

You are further advised that we cannot state when the money appropriated for the payment of this judgment will be distributed. It will first be necessary to have a complete enrollment of all those entitled to share in the fund, and to have this enrollment approved by the Court of Claims. Until this is done no money can be distributed.

There are more than 44,000 applications filed, by claimants residing in all parts of the United States, and these applications will have to be examined, grouped in families, and in many instances testimony will have to be taken in the field before a decision can be reached as to the merits of the claim. This will necessarily take considerable time.

#2--Hon. George K. Favrot:

Mr. Reid will be notified if there is any further information required in connection with his claim.

Very respectfully,

Special Commissioner.
